## ■ 1. OUTSTANDING CUSTOMER SERVICE

Personalized service with a Custom Specialist who will guide you through the entire order. Experienced Graphic Designers can help you bring your vision to life.

## ■ 2. INNOVATION AND QUALITY

Our custom program is developed in collaboration with world-class athletes, engineers, and aerodynamicists. Our products are tested in state-of-the-art windtunnel facilities and in actual real world environments. These factors enable us to offer the most technologically advanced custom apparel on the market.

## ■ 3. NORTH AMERICAN PRODUCTION

Producing in our own facilities allows us to monitor quality control and maximize delivery times.

## ■ 4. DELIVERED ON TIME - EVERY TIME

We know how important timely deliveries are, and we are proud to say we never miss an event.

## ■ 5. THE CYCLING SOLUTION

Our custom program has your team, club, charity ride, granfondo and event covered from head to toe with clothing, accessories and helmets. We are specialists in every category. Outfit your team with our one-stop shop solution for a complete professional look.

## ■ 6. DREAMFACTORY BIKE

Our DreamFactory Custom Paint Program for bikes allows you to customize your Garneau dream bike with colors, decals, and more!

## ■ 7. PICK.PAY.RIDE.

Our online ordering system is available for your team, making it simple for the team manager to collect orders, manage payments, and even collect dues.
